

## INVITATION

It is my hope you will accept this invitation to be a sponsor of our upcoming Golf Tournament. The tournament is important, as it's our only fundraiser of the year. Donations are tax deductible.

Last year our goal was \$100,000, and we were able to exceed our goal ... setting a new fundraising record of \$122,333.

Your financial support will be used to help our residents, mostly women and children, to overcome many things that brought them to us for help. These issues include physical, emotional and sexual abuse, insecurity, depression, suicidal thoughts, poverty, and more.

In addition to being a Sponsor, if you would like to put a foursome together check the appropriate box on the Sponsor Registration form.

Your participation would be greatly appreciated! Please contact me on my cell at 352-817-9821 or email me at [bradd@bradfordhomesocala.com](mailto:bradd@bradfordhomesocala.com) should you have any questions.

**Sincerely,**

**Brad Dinkins**  
**Chairman**

*"As a supporter, I know Helping Hands is very dedicated in helping hurting people. They are doing a great job providing the Christian influence and necessary support to help their residents build a new and better life. I hope you will join me in lending your support to this wonderful organization."*

**- Roger Rowland, Member of PGA Champions Tour**

*(Before going professional, Roger lived in Ocala and attended Ocala Forest High School where he was an outstanding golfer and football player)*

## Some of the residents your Golf Sponsorship will help

Autumn struggled with substance abuse and PTSD for 20 years, and came to us upon release from prison. She had nothing. Her life began to turn around after giving her heart to the Lord in jail and following in His footsteps. By doing this she was set free from addiction and drugs, and began to grow tremendously in character and her love for the Lord and people. She is a diligent, responsible, and upbeat worker, currently working full time for Hobby Lobby. Autumn is a volunteer in her church children's ministry, is on her 2<sup>nd</sup> year of Bible College, and is a valuable assistant to the Director of women and children at Helping Hands. She has a servant's heart and is always looking for ways to help people in any way possible. We are so proud of Autumn and the wonderful woman she is.

Emily, working as a waitress, came to us pregnant with her daughter Journey. She came out of a broken relationship, severely depressed, suicidal thoughts, and with no safe place to live. She has since grown so much emotionally and spiritually, and is an inspiration and help to many others. Emily is a very Godly woman, a great mother, and has become a nurse. She also teaches in a women's church group, helping others overcome depression and other debilitating issues. She has secured a house loan and hopes to get started with construction soon. We are so thankful for Emily and the beautiful life she lives for the Lord and shares with others.

Norreal came to us after being incarcerated for 18 months for felony charges, and has since gotten her children back. The children have adjusted well in many areas, are making progress in school, and are so happy to be with their mother. Norreal has secured a good job as a receptionist and an administrative assistant for a construction company, and is going to school for her real estate license. She loves the Lord, is kind and compassionate, and full of joy. We are very thankful for Norreal and the fantastic person she is.
